My dear Mr Billings:

The lawyers call for certified copies of the ~~eleven~~ deeds above mentioned, and would like them within two weeks. I send a sample of what is required---the complete record on the Town Books. I presume you cannot copy them on a type-writer; but your hand writing is legible, and will answer. The customary charge is the same as you would get for making the record on your books

Hoping you will find the time to do this during the next two weeks,

I remain yours sincerely,
